

# AgHat

## NEW AGHAT BRIM & NECK CURTAIN COMBO FOR GREATER SUN PROTECTION...

**NEW!**

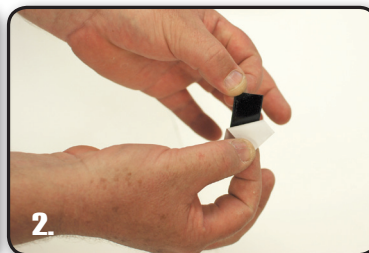

**GREATER  
PROTECTION  
FROM HARMFUL  
UV RAYS**

### AgHat Brim / Neck Curtain Combo Fitting Instructions:

1. Remove velcro strip from rear underside of brim [illustration 1].

2. Remove adhesive backing from velcro strip [illustration 2].

3. Re-position Safety Standard label and fix velcro strip to centre rear of AgHat helmet, just above lower edge, with strip running vertically [illustration 3].

4. To fit brim/neck curtain combo to AgHat helmet, insert front peak of helmet into pocket of front underside of brim [illustration 4].

5. Pull brim/neck curtain combo down over rear of helmet and attach velcro strip on underside of curtain to velcro on rear of AgHat helmet [illustration 5].
